OUR WINE LIST

Our wine list has a strong focus on the Old World, complemented by a thoughtful selection of wines from beyond Europe. From everyday favourites to special bottles, there is something for everyone and every occasion.

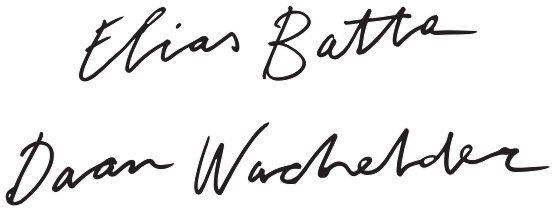

An extensive selection is available by the glass, including regularly changing wines served through Coravin. We also offer a great range of half bottles and are particularly proud of our collection of magnums and large-format bottles, perfect for sharing and celebrating.

Not in the mood to browse through the whole list? On the final page, we've put together **Our Favourites**, a collection of bottles we particularly love right now. Think of it as our shortcut through the wine list.

We believe wine should be enjoyed, not studied. That's why our prices are based on a fixed markup rather than a traditional multiplier, resulting in a wine list that offers value across all categories.

Whether you're looking for a great house wine or a legendary Grand Cru, our team is here to help you find your new favourite bottle.

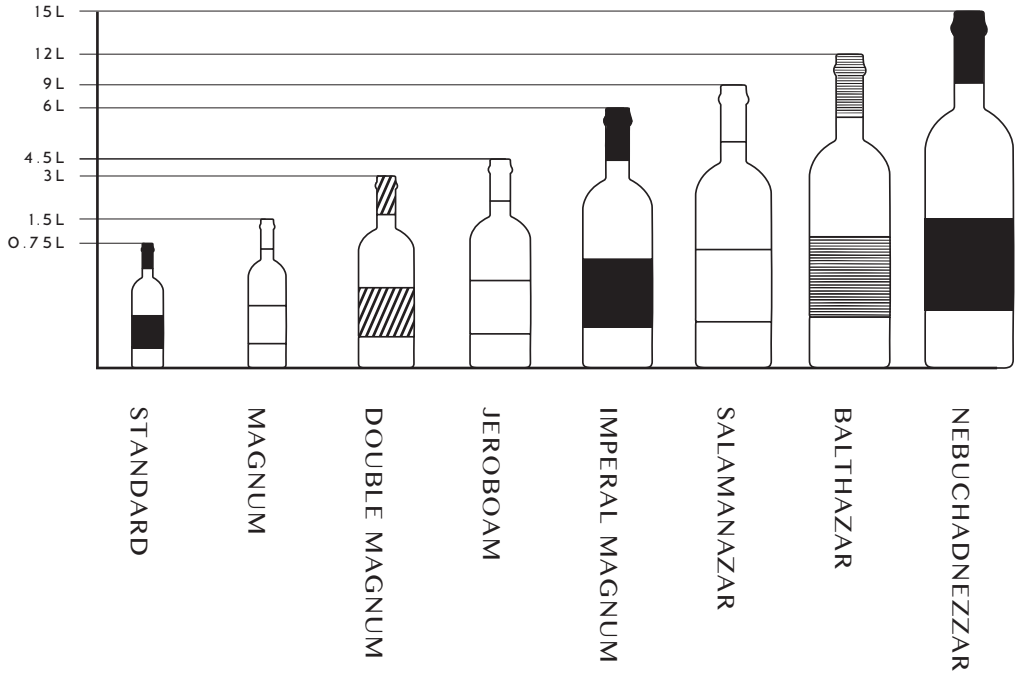

SOMMELIER'S

BIGGER IS BETTER

Sure, Magnums are impressive, but they also keep wine younger and fresher since there is less exposure to the effects of oxygen through the cork. The aging process of wine in a magnum is about 1,5 times longer than in a standard bottle.

SO TODAY, GO BIG.
