

OUR WINE LIST

has a focus on the old world and an emphasis on wines that match the food and style of our restaurant. A large selection includes small growers, family estates and producers who are committed to organic, biodynamic and sustainable practises.

Most importantly we think wine should be freaking delicious!

Our pricing is based on a fixed markup, which results in an affordable wine list that has options for everyone and for every occasion. Whether you are looking for a house wine or a premier grand cru, our team is here to help you find your new favorite bottle.

BIGGER IS BETTER

Sure, Magnums are impressive, but they also keep wine younger and fresher since there is less exposure to the effects of oxygen through the cork. The aging process of wine in a magnum is about 1,5 times longer than in a standard bottle.

SO TODAY, GO BIG.
